PRIVATE FINANCIAL AID

Once you have covered your federal aid prospects as well as those from your cosmetology school, it's wise to begin looking at private sources for financial aid. There are actually quite a few private scholarships created specifically for beauty students.

-The Spa Foundation not only provides financial assistance to beauty, spa, and massage students; they also provide their recipients with life coaching in areas such as motivation and financial management. This scholarship comes with extra homework; monthly assignments and reports are required.

-The National Coalition of Estheticians, Manufacturers/Distributors & Associations provides \$1,000 scholarships to esthetician students. Students must submit a 250-word typed essay with their application. Scholarship recipients must maintain an 80% attendance and 80% grade average.

-The American Health and Beauty Aids Institute provides cosmetology scholarships in amounts of \$250 and \$500. Through its Fred Luster, Sr. Education foundation, nearly \$500,000 in scholarships have been awarded.

-OPI, through the Schaeffer Family Foundation, awards \$500 to a different cosmetology student each month. Students must be enrolled or currently enrolling in an OPI preferred cosmetology school. The application requires a 1-2 page essay as well as a recommendation from someone within the beauty industry.

-The American Association of Cosmetology Schools offers ACE Grants as well as Cosmetology Scholarships. These scholarships are sponsored by companies such as Sports Clips as well as private foundations such as the Pat Goins Memorial Foundation. Only students enrolled in AACCS member schools are eligible to apply for these scholarships.

-Great Clips sponsors the Alice Madden Barton Cosmetology School Scholarship Program. These scholarships are more flexible in that they can be used at any cosmetology or barbering school, and they are even open to high school students. They are given out twice a year.

-The "Education Rocks" scholarship is available to beauty students in the amount of \$250. Students are able to submit their application via an online form. The application does require two short answer questions.

-The Joe Francis Haircare Scholarship Foundation awarded nineteen \$1,000 scholarships in 2009. Cosmetology students are eligible for this scholarship, and a letter of recommendation is required with the student's completed application.

SCHOLARSHIPS FOR WOMEN

Other scholarships are not specific to the field of beauty but may be used towards the financial cost of attending beauty school. Particularly, there are many scholarships geared specifically toward women that may be applied toward beauty school.

-The Patsy Takemoto Mink Education Foundation is named after the first woman of color to be elected to the US House of Representatives. Representative Mink was passionate about women's rights and
